

Rid Your Fields of Weeds, Without Harming Turf - Contains No Harsh Ingredients

Branch Creek Weed Shield kills and prevents weeds from forming, without harming grass and without harsh ingredients. Weed Shield contains a Botanical Oil Blend that the EPA (Environmental Protection Agency) has exempted from being registered as a pesticide. The selective, fast-acting formula delivers visible results.

Weed Shield provides turf managers with significant benefits, including:

- No Harsh Ingredients
- Effective on Broadleaf Weeds*
- Botanical Oil Blend
- For Use on Cool and Warm Season Grasses
- Selective - Treats Weeds, Won't Harm Grass
- Ideal for Turf Management Programs that Do Not Utilize Harsh Ingredients

Spot Treatment: 10 oz. Weed Shield and a non-ionic surfactant mixed with minimum of 1 gallon of water.

Active Ingredients:

Clove Oil.....	3.0%
Eugenol.....	2.5%
Inert Ingredients**.....	94.5%
Total Ingredients**.....	100.0%

**Water, Soybean Flour, Urea, Cottonseed Meal, Potassium Humate, Potassium Acetate, Soap.

Directions for Use:

Use as a spot treatment for weeds. Ensure thorough wetting and complete coverage on all unwanted vegetation. For best results, apply to weeds during early periods of growth, during warm, dry weather. Do not apply during windy conditions. The speed at which this product works is impacted by climate conditions.

Ingredients: Eugenol Oil, Clove Oil, Soybean Flour, Urea, Cottonseed Meal, Potassium Humate, Potassium Acetate and Soap

Mode of Action: Proteins and oils contained in Weed Shield break down the cell wall causing the weed to desiccate and die.

Visible signs of weed death begin one week after the initial application, complete death usually occurs within 2 weeks.

Apply to only actively Growing Weeds.

*For hard to control weeds a second application may be needed 7-10 days after initial treatment.

Weed Shield is a minimum risk product that complies with US EPA 25B and is exempted from regulation under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

FIFRA 25(b) Exemption
