Incompatibility (Materials to Avoid) None					
Hazardous Decomposition of Byproducts None					
Hazardous Polymerization	May Occur N/A	Will Not Occur	Conditions to Avoid		
			None		
SECTION VI – Health Hazard Data					
Route(s) of Entry	Inhalation?	Skin?	Ingestion?		
	Non-Irritating	Non-Irritating	Non-toxic natural		
			bacterial cells. Do not		
			ingest.		
Health Hazards (Acute and Chronic)					
No toxic effects are known					
Carcinogenicity	NTP?	IARC Monographs?	OSHA Regulated?		
None	None	None	NO		
Signs and Symptoms of Exposure N/A					
Medical Conditions Generally Aggravated by Exposure N/A					
Emergency and First Aid Procedures					
Flush exposed area with clean and soapy water. Consult physician.					

SECTION VII – Precautions for Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled

Clean up spill with soapy water. No special restrictions on disposal of wash water. Disinfect spill area with clean water to which household bleach is added at a rate of one half cup per five gallons.

Waste Disposal Method

Clean up spill with soapy water. No special restrictions on disposal of wash water. Disinfect spill area with clean water to which household bleach is added at a rate of one half cup per five gallons. This material is not considered a hazardous material under the RCRA and may be disposed if in landfills or sanitary services.

Precautions to be Taken in Handling and Storing

Keep containers closed when not in use to prevent contamination of the product and minimize risk of spills. Use good industrial hygiene practices. Store in a cool, dry area. Do not allow to freeze and keep out of direct sunlight for extended periods of time. This material is not considered a hazardous material under the RCRA and may be disposed if in landfills or sanitary services.

Other Precautions

The transportation of Dangerous Good Act classification for this product is: Not regulated. DOT classification: Non-toxic, non-corrosive, Chemical NOI, Non-hazardous.

SECTION VIII – Control Measures

Respiratory Protection					
Ventilation	Local Exhaust	Special			
	N/A	N/A			
N/A	Mechanical (General)	Other			
	N/A	N/A			
Protective Gloves	Latex or latex free gloves are	Eye Protection			
	recommended but not required	Safety goggles are recommended			
		but not required			

Other Protective Clothing or Equipment

Long sleeved clothing, long pants and closed toed shoes are recommended. The use of a filtered mask is recommended but not required.

Work/Hygienic Practices N/A

SECTION IX – Special Precautions

Precautions to be Taken in Handling and Storing

Keep containers closed when not in use to prevent contamination of the product and minimize risk of spills. Use good industrial hygiene practices. Store in a cool, dry area. Do not allow to freeze and keep out of direct sunlight for extended periods of time. This material is not considered a hazardous material under the RCRA and may be disposed if in landfills or sanitary services.

Other Precautions

Use good industrial hygiene practices

SECTION X – Stability and Reactivity

The product is stable. Maintain in properly vented containers.

SECTION XI – Toxicological Information

Health Hazards:

Exposure: skin contact, eye contact, inhalation and/or ingestion.

Acute Effects: may cause mild transient irritation.

Chronic Effects: adverse effects from chronic contact are not known.

SECTION XI - Ecological Data

The product is readily biodegradable in the natural environment. Spillage may result in a biological oxygen demand. Organisms in the product are naturally occurring in soil.

SECTION XII – Disposal Considerations

Containers may be rinsed with water and disposed of as approved by local regulations.

SECTION XIII – Transport Information

Transportation of this product is not regulated.

SECTION XIV – Regulatory Information

NFPA Hazard Rating: Health - 0; Flammability - 0; Instability - 0

HMIS Rating: Health - 0; Flammability - 0; Reactivity - 0

CA Proposition 65: not listed

Microorganisms exempt from CDR requirements – 40 CFR 725.

*All microbials are considered naturally-derived, nonpathogenic, non-toxic, non-GMO, non-hazardous and non-corrosive.
